PROFESSIONAL EXPERIENCE

HR Executive | Feb 2025 - Present

ALPS Global Holding Berhad | Kuala Lumpur

Recruitment | Onboarding & Offboarding | Payroll Administration | Employee Relations | HR Operations | HR Compliance | Learning & Development | HRD Corp

- Manage end-to-end recruitment and onboarding across multiple business functions, including job posting, CV screening, interview coordination, offer management, and employee integration.
- Support HR operations for more than 100 employees across multiple business units, ensuring efficient service delivery, accurate records, and compliance.
- Support monthly payroll administration through employee data preparation, validation, verification, and coordination with Finance for accurate and timely salary processing.
- Coordinate the full employee lifecycle, including onboarding, confirmation, transfers, promotions, contract administration, and offboarding.
- Manage employee and industrial relations matters, including disciplinary actions, misconduct investigations, Domestic Inquiry (DI), termination cases, notice in lieu, and employee separation processes.
- Handle sensitive misconduct cases involving fraud, attendance issues, and policy violations while maintaining confidentiality, procedural fairness, and risk mitigation.
- Provide HR advisory support to line managers on employee relations, disciplinary actions, and policy interpretation.
- Prepare HR documentation including Letters of Appointment, contract renewals, confirmation letters, employment verification letters, resignation acceptance letters, and disciplinary correspondence.
- Coordinate HRD Corp training programs, claims submissions, employee development initiatives, benefits, insurance, medical claims, and staff welfare programs.
- Maintain HR compliance and audit readiness, including SOPs, personnel records, employment contract administration, and LHDN stamping.
- Support manpower planning, workforce management, HR process standardization, and operational improvement initiatives.

Selected Achievements

- Successfully closed 3 Finance vacancies within 1 month, supporting timely fulfilment of critical roles.
- Successfully filled a Senior HR Generalist position within 1 month, supporting HR operational continuity.
- Produced employee exit analysis reports for management to support turnover analysis and workforce planning.
